The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for North Shore Community College's Anatomy and Physiology Lab Renovation in fiscal year 2022.

The entity to receive funding for this project is North Shore Community College, located at 1 Ferncroft Rd, Danvers, MA 01923.

The funding would be used for: North Shore Community College's (NSCC's) Anatomy and Physiology Lab upgrade project focuses on the significant need to redesign and renovate a critical science lab used by Allied Health students. The project will focus on design, renovation and equipment for an Anatomy and Physiology lab in the Math and Science Building at NSCC's Danvers campus. North Shore Community College is one of the only community colleges in the state lacking updated science labs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
