Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Wilmington (MA) water system improvements in fiscal year 2024. The entity to receive funding for this project is the Town of Wilmington, located at 121 Glen Road, Wilmington, MA, 01887. The funding would be used for design and construction of a PFAS filtration system and water mains. The project is an appropriate use of taxpayer funds because it will facilitate compliance with national primary drinking water regulations and address serious risks to public health including non-regulated contaminants.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".
