Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Pathways for Children Energy Efficiency, Security, and Accessibility Project in fiscal year 2024. The entity to receive funding for this project is Pathways for Children, Inc., located at 29 Emerson Avenue, Gloucester, MA, 01930. The funding would be used to update the 50-year-old electrical system, which will provide energy efficiency, reduce energy costs, and lessen our carbon footprint. The project is an appropriate use of taxpayer funds because increasing security and updating fire systems can facilitate a safe and caring learning environment for students and staff.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".
