The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Burlington (MA) Multi-use Pathway Project in Fiscal Year 2025. The entity to receive funding for this project is the Town of Burlington, located at 29 Center Street, Burlington, MA, 01803. The funding would be used to construct a three-mile multi-use pathway in the dense commercial hub. The project is an appropriate use of taxpayer funds because it will support the town's economic development activities and address transportation challenges by connecting major areas in the dense commercial hub, benefiting 50,000 employees in healthcare, life sciences, tech, and retail.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S. Code §5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
