Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Middleton Municipal Campus in Fiscal Year 2025. The entity to receive funding for this project is the Town of Middleton, MA, located at 48 S Main Street, Middleton, MA, 01949. The funding would be used to centralize veterans services within a larger Municipal Complex, a 52-acre site that will also include facilities for Fire, EMS, Police, Emergency Operations, the Town Hall/Community Center, the Middleton Council on Aging, and a food pantry. The project is an appropriate use of taxpayer funds because it will address the lack of ADA compliance in current buildings and centralize services, improving access to veterans' benefits, health, and social services.

This project has a Federal nexus as it is for the same purposes authorized in section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Seth Moulton".
