The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Gloucester (MA) pump station upgrades in fiscal year 2025. The entity to receive funding for this project is the City of Gloucester, located at 9 Dale Avenue, Gloucester, MA, 01930. The funding would be used to upgrade a pump station to ensure reliability, avoid sewage backups and overflows, and meet modern standards crucial to wastewater collection. The project is an appropriate use of taxpayer funds because it will repair the municipal wastewater treatment system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".
