Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Hamilton-Wenham (MA) Regional Drinking Water Connection in fiscal year 2025. The entity to receive funding for this project is the Town of Hamilton, located at 577 Bay Road, Hamilton, MA, 01982. The funding would be used to extend 2,500 feet of new pipe from an existing interconnection and upgrade meters and other critical infrastructure that will obtain supplemental supply and improve flow rates. The project is an appropriate use of taxpayer funds because it will install/replace pipes to prevent contamination caused by leaks or breaks in the pipe and improve water pressure to safe levels.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
