Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Ipswich (MA) drinking water infrastructure upgrades in fiscal year 2025. The entity to receive funding for this project is the Town of Ipswich, located at 25 Green Street, Ipswich, MA, 01938. The funding would be used to replace two of the town's aging municipal groundwater supply wells. The project is an appropriate use of taxpayer funds because replacing these wellheads will ensure that these critical water sources will provide optimal water quality to the community and increase drought resilience.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".
