The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Marblehead (MA) Shipyard Resiliency Improvements Project in fiscal year 2025. The entity to receive funding for this project is the Town of Marblehead, located at 188 Washington Street, Marblehead, MA, 01945. The funding would be used for reconstruction, repair, and enhancement of Parker's Boat Yard. The project is an appropriate use of taxpayer funds because it will contribute to the repair and enhancement of critical waterfront infrastructure that will improve safety and resilience and mitigate damage from intensifying storms and coastal flooding.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".
