Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Nahant (MA) pump station upgrades and stormwater drainage improvements in fiscal year 2025. The entity to receive funding for this project is the Town of Nahant, located at 334 Nahant Road, Nahant, MA, 01908. The funding would be used to upgrade a pump station and stormwater and outfall capabilities, to reduce/mitigate stormwater flooding and meet modern standards crucial to wastewater collection. The project is an appropriate use of taxpayer funds because it will repair the municipal wastewater treatment system and manage stormwater.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
