Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Topsfield (MA) water tank replacement in fiscal year 2025. The entity to receive funding for this project is the Town of Topsfield, located at 8 West Common Street, Topsfield, MA, 01983. The funding would be used to construct a new water tank that will store 800,000 gallons of treated water as well as necessary water main and control system upgrades. The project is an appropriate use of taxpayer funds because it will install upgraded storage facilities and prevent contaminants from entering the water system.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
