FINANCIAL DISCLOSURE AND FEDERAL NEXUS STATEMENTS
North Beverly Fire Station Building Improvements

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Beverly Fire Station Building Improvements in Fiscal Year 2027. The entity to receive funding for this project is the City of Beverly, located at 191 Cabot St, Beverly, MA 01915. The funding would be used for the replacement of the rubber roof, replacement of all trim around the roof, repointing the exterior masonry walls to prevent water penetration and replacement of all exterior windows to increase energy efficiency and stop water penetration where windows are installed. The project is an appropriate use of taxpayer funds because this is one of three fire stations in the City of Beverly, MA that serves a population of 43,000 residents, and it is well over a century old. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".
