Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lynn Health and Wellness Campus: Urgent Care Expansion in Fiscal Year 2027. The entity to receive funding for this project is Lynn Community Health, located at 269 Union St, Lynn, MA 01901. The funding would be used to significantly expand and modernize their Urgent Care services. The project is an appropriate use of taxpayer money as the expanded Urgent Care will allow Lynn Community Health Center to provide a more responsive, efficient, and patient-centered model of urgent care—one that strengthens the local healthcare safety net and ensures that patients receive the right care, in the right setting, at the right time.

The project has a federal nexus because the funding provided is for purposes authorized by Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Seth Moulton".
