Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Bedford (MA) Sewer Pump Station Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Bedford, located at 10 Mudge Way, Bedford, MA, 01730. The funding would be used to upgrade and redevelop the Carlisle Road/Pollard Inn Lane Sewer Pump Station. The project is an appropriate use of taxpayer funds because the sewer pump station infrastructure improvements are directly tied to a residential development that will include 84 housing units, 25% designated as affordable housing. Upgrading the pump station will ensure that Bedford's sewer system can accommodate this development, spurring economic growth, new housing development, and increased revenue, while maintaining long-term infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Seth Moulton".
