FINANCIAL DISCLOSURE AND FEDERAL NEXUS STATEMENTS  
State of the Art Microelectronics Manufacturing Simulation Training Lab

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the State of the Art Microelectronics Manufacturing Simulation Training Lab in Fiscal Year 2027. The entity to receive funding for this project is North Shore Community College, located at 1 Ferncroft Road, Danvers MA, 01923. The funding would be used creating a state-of-the-art, hands-on simulation lab. The project is an appropriate use of taxpayer funds because this initiative represents a strategic use of public funds that addresses a critical workforce gap while fostering long-term regional prosperity.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".

Member of Congress
