Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Youth Behavioral Health Facilities at the Salem Family Health Center in El Centro in Fiscal Year 2027. The entity to receive funding for this project is North Shore Community Health, located at 27 Congress St, Salem, MA 01970. The funding would be used for construction of a behavioral health facility within the Salem Family Health Center to expand critical services.

The project is an appropriate use of taxpayer funds because the proposed project is consistent with the primary objective of the community development program to direct federal funding to specific, high-impact local projects that address pressing community needs.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Seth Moulton".
