FINANCIAL DISCLOSURE AND FEDERAL NEXUS STATEMENTS
Swampscott Library Accessibility Improvements

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Swampscott Library Accessibility Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Town of Swampscott, located at 22 Monument Avenue, Swampscott MA 01907. The funding would be used for a project that will create exterior and interior accessibility improvements including an ADA-compliant entrance ramp to the lower level of the public library, which houses the Children's Department, Teen Room, Maker Space, and the public restrooms. The project is an appropriate use of taxpayer funds because it will ensure that all residents—including those who use mobility aids, have visual impairments, or experience age-related accessibility issues—can fully and safely access library services and spaces. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Seth Moulton".

Member of Congress
