FINANCIAL DISCLOSURE AND FEDERAL NEXUS STATEMENTS
Witchcraft Heights Roof Top HVAC Units

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Witchcraft Heights Roof Top HVAC Units in Fiscal Year 2027. The entity to receive funding for this project is the City of Salem, located at 93 Washington Street, Salem, MA 01970. The funding would be to replace Roof Top HVAC Units for Witchcraft Heights Elementary School. The project is an appropriate use of taxpayer funds because it will improve indoor air quality which has direct impacts on health and chronic absenteeism—resources for these high needs student populations are consistently limited, and the savings from this project could help provide much needed support in other critical areas. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Seth Moulton".

Member of Congress
